To Quality Control Representative,

We have received your Quality Control Plan and reviewed it against ODOT S1069 requirements. Your plan and laboratory are acceptable and approved for use in shipping aggregates to ODOT projects. QCP's are valid for one year, any changes to this approved QCP must be submitted and approved via addendum to Home District as soon as possible, then all approved addendum items shall be incorporated into next year's QCP.

Respectfully,

Lloyd Welker, P.E. OMM Administrator
